

MUSIC NOTES

Make a Joyful Noise unto the Lord! Psalm 100

Objectives:

- Participation in music class
- Sing and move with Parachute!
- Learn difference- Beat vs Rhythm

WHEN YOUNG CHILDREN ARE CONSISTENTLY ENGAGED BY MUSIC IN AN AGE-APPROPRIATE, SOCIALLY ACCEPTING ENVIRONMENT, THEY BENEFIT AT MANY LEVELS INCLUDING SOCIAL-EMOTIONAL, PHYSICAL, CREATIVE, QUANTITATIVE AND EARLY LITERACY. AND OF COURSE, THEY DEVELOP A LIFELONG LOVE OF MUSIC.

Class Rules:

- Listen
- Be kind
- Participate
- HAVE FUN!

How We're Learning:

- We will want to participate in all music activities because we learn new things when we get Involved!
- We will watch and listen to Ms. Dee Dee as she demonstrates how to play and sing with the parachute. Two's will practice using shakers with songs for Spring Fling Carnival.
- We will sing and do the hand motions for all of the songs chosen for our Spring Fling Carnival! We will perfect our singing with practice in music class, Chapel and in the class room.

The Developing Brain: Preschool Years

Why is music so important?

- * connections are made in every part of brain
- * develops the rhythm of language
- * develops the motor centers of the brain
- * stimulates the vestibular system (part of the Ear related to balance and movement)
