

Ms. Joy's Pre-K Class

This past week:

We learned about Joseph and his brothers. We learned about forgiveness and God's wonderful plan for Joseph in the midst of suffering and pain. We also learned some opposite words and discussed rhyming words in nursery rhymes. We acted out the stories we read like Mama Cat and nursery rhymes like Hey Diddle, Diddle. We are also busy making Christmas ornaments for our Christmas tree.

Research says...

"Caring, the value that most Americans seem to agree is most necessary in adult life, is rooted in the social and emotional development of childhood."
