

Ms. Joy's Pre-K Class

This past week...

We heard a story about the three wise men who looked for Jesus and gave him gifts. We also explored different sounds such as musical instruments, outside sounds and discussed how sounds help us. We enjoyed playing in our New Year center and we made winter hats with cotton balls. We also started reading our rebus book. We had fun dramatizing "The Mitten." Our favorite song this week was John Jacob Jingleheimer Schmidt.
